ROLES AND POSITIONS

Digital Media Intern

VALPARAISO UNIVERSITY, ARTS AND THEATER BUILDING | AUGUST 2017-MAY 2018

- Collaborated with the other interns in a team setting.
- Worked on large scale projects for the campus Chorale, including an Instagram story that displayed to viewers of the chorales journey to Germany.
- Created engaging digital signage for weekly musical performances that came to campus.
- Learned Adobe After Effects on the job, wanted to create animated signage. Took time outside of work to gain experience in the software.

Graphic Design Intern

VALPARAISO UNIVERSITY, ALUMNI RELATIONS | AUGUST 2017-MAY 2018

- Created a large scale campaign for Homecoming. Around 15+ projects needed to be finished a month from being assigned.
- Working Independently as the solo Graphic Designer on staff.
- Worked on multiple projects at once so it was necessary to multi-task at all times during the project heavy months. Adverts for alumni meet ups, power point presentations, infographics, and many more.
- Generated new FaceBook content that engaged the younger demographic of Alumni a new audience that Alumni Relations had a hard time connecting with.

ACADEMIC MILESTONES

Lambda School June 2018- February 2019

- Lambda School is a 6+ month Computer Science & Software Engineering Academy that provides an immersive hands-on curriculum with a focus on computer science, software engineering, and web development.

Valparaiso University BA in Digital Arts 2015 - 2018

- Learned the basics of graphic design and through internships gained an advanced knowledge of the skill.
- Had several pieces awarded in student shows.
